3 Day AM Class – May 2019

We can't believe the school year is almost at an end! We have so enjoyed teaching your children. They have worked so hard this year!

We hope you enjoyed your child's Dino Book! In the next few weeks, we will be getting ready for our Dinner Night, working on another special book and preparing a surprise for mom.

We have completed reviewing the alphabet letters every week! In the month of May we will be reviewing the alphabet, reviewing our numbers 1-20 and practicing writing both!

Help Wanted!
Bakers
2 bakers needed on: Wednesday, May 29th. Bakers are needed at school during class. The children mix up the cupcake batter and you would bake and put on icing for us. All ingredients and supplies will be provided. Please sign up in the classroom. Thank you.

Earth Day
We enjoyed celebrating Earth Day last month. We hope their green bean seeds and Pine Tree Seedlings are getting a lot of sun and water to grow!
A special Thank You to Giovanni Wolfe's Dad, Sean, for the donation of the seedlings!

Butterfly Watch!
We have caterpillars in our classroom and are currently watching them every day! We are waiting to see them turn into butterflies! Then on a nice warm day in May, we will release them outside. We will wave and wish them happy travels!

Reminder!
Keep your child's snack day healthy! They love fruit! Berries, pineapple and watermelon are some favorites. Thank you!
